

UWRL Featured in AWRA Impact Magazine | Utah Water Research Laboratory

09/10/2019

The UWRL was featured in the September 2019 issue of the of the American Water Research Association (AWRA) Water Resources IMPACT Magazin. This issue includes a series of articles about western water issues collaboration, with a particular emphasis on Utah's water issues. The AWRA 2019 Water Resources Annual Conference will be held in Salt Lake City, Utah, on November 2-6, 2019, and the UWRL is one of the tour destinations for the conference.

The Utah Water Research Laboratory, located along Utah's Logan River
